

MRRIC Meeting Schedule and Locations Calendar Year 2015

As of February 27, 2015

The MRRIC (Committee) meets in-person four times a year, historically in February, April/May, July/August, and October/November. In addition MRRIC has a webinar/video-teleconference in March for the Missouri River Recovery Program annual forum and budget update. The Committee operating procedures direct the U.S. Institute to set the meeting dates and locations in collaboration with MRRIC.

Note: the Monday before each meeting is used for work group meetings, typically from 11:00 a.m. - 5:00 p.m. and Plenary Agenda Review from 5:30-6:30 p.m. The 2.5-day MRRIC meetings (plenary sessions) are currently scheduled from Tuesday 8:00 a.m. – Thursday 12:30 p.m.
